

1. Enter the platform

LANDING PAGE ORIENTATION

- 01 Select your customer type**
The role selector opens the experience and functions relevant to you.
- 02 Use the available navigation**
Move between the dashboard, validation, RFQs and shared member services.
- 03 Change perspective at any time**
Switch roles to understand how buyers, toolrooms, suppliers and SATCN connect.

2. Choose the role that matches your objective

FIVE CONNECTED EXPERIENCES

- 1 Toolmaker / Toolroom**
Validate competence, respond to matched RFQs and track delivery.
- 2 Injection Mould Toolroom**
Demonstrate mouldmaking capability and manage mould programmes.
- 3 Tooling User**
Review qualified capability, publish RFQs and monitor awards.
- 4 Tooling Supplier**
Promote relevant solutions and receive managed enquiries.
- 5 SATCN Administrator**
Govern validation, commercial flow and network quality.

3. Understand the core SATCN journey

SATCN converts demonstrated competence into scope-specific, evidence-backed and renewable market confidence.
